MISSOURI DEPARTMENT OF CONSERVATION

Discover nature with us.

Powder Valley Conservation Nature Center is nestled within 112 acres of oak-hickory forest, a quiet corner in a busy urban world. Leave your chaotic lifestyle behind, and experience the many benefits of nature.

Connect with nature indoors

- Encounter nature's wonders through hands-on exhibits or relax and enjoy the indoor wildlife-viewing area.
- Check out our 3,000-gallon aquarium to see fish found in Missouri's rivers and streams.
- Come eye to eye with some of Missouri's wild critters through our live ambassador animals.

Experience nature outdoors

- Hike one of our three loop trails.
- Explore hilltops, forested valleys, creeks, wildlife ponds, and the plants and animals that use them.
- Enjoy wildlife viewing, and get an intimate look at Missouri's wild creatures as they visit the bird feeders and water feature.

Learn about nature

- Take advantage of one of the many no-cost programs, special events, or workshops offered by the staff and volunteers.
- Visit us online for a list of upcoming events and to subscribe to our e-newsletter.

Admission to the nature center is free.
