

LICENSED HUNTING PRESERVE RECORD FORM

The permittee shall keep an accurate permanent record by date of the number of each species held, acquired, propagated, sold, released, the number of each species taken on the arena and the full name, address and permit number (if applicable) for each buyer, shooter and/or taker, on forms supplied by the Department. These records shall be maintained on the premises of the licensed hunting preserve, subject to inspection by an authorized agent of the Department at any reasonable time.
